Laura Doman
Voice Actor / Film & TV Actress

Short Bio

Laura Doman is a professional voiceover artist and on-camera actress, with credits in film, TV, commercials, and industrials. In voice over, she specializes in commercials and corporate, explainer, and training videos, although she has voiced 911 operators, wacky neighbors, and even a talking goldfish on film.

Clients include AAA, Arthritis Foundation, Equifax, Ferrero (Nutella), Home Depot, Monlycke, Southern Company, and United Way.

Additionally, as a speaker, author, and consultant, Laura coaches business professionals and entrepreneurs on how to create dynamic videos by becoming more comfortable and effective on camera themselves. She is a collaborating author of "The Most Amazing Marketing Book Ever," available in paperback, audio, and Kindle versions in June 2023.
